36th Annual Faro Blanco Tarpon Tournament

April 29 - May 6, 2023

Hi Everyone,

We hope you are well and navigating the pandemic safely. We are happy to announce plans for the **36th Annual Faro Blanco Tarpon Tournament from April 29 - May 6, 2023 in Marathon FL.**

Attached is next year's tournament information including all sponsorships available. We hope you make plans to attend this great fundraising event!

In 2022, tournament founders partnered with the Kids & Clays Foundation to help continue to grow the event. Kids & Clays supports participating Ronald McDonald House Charities Chapters (RMHC's) across the country raising funds through sporting events. Proceeds from next year's event will continue to help fund the RMHC of Philadelphia Summer Camp Program and will also help fund partner RMHC's throughout the U.S.

In 2022, **we raised a record \$81,000 for the kids** and with your help we can raise even more in 2023!

We hope you will consider one of the many sponsorship levels available or perhaps increase your sponsorship from last year. Again, all net proceeds will help children and their families in the Philadelphia area and from coast to coast.

Besides being a great cause, this is the largest Tarpon tournament in Florida providing a World Class fishing experience in one of the most beautiful places in the Florida Keys! Catches have averaged nearly 100 tarpon each year during this tournament. We also have several contests during the event that any team can win and take-home cash prizes and trophies!

We expect a record turnout for next year's event so **don't delay**. Sponsorships, registration and hotel/condo availability are **first come, first serve**. Get your boat confirmed today by filling out the attached form and returning it to the address highlighted. You can also sign up online by visiting www.kidsandclays.com/Tarpon.

We look forward to seeing you in 2023 in Marathon! Contact us for more information.

Photos from Ronald McDonald Camp located in the beautiful Pocono Mountains.

Not only do your contributions and sponsorships benefit the **Kids and Clays Foundation**, supporting Ronald McDonald House Charity Chapters across the nation providing services to families with seriously ill children, but they also help **Ronald McDonald Camp**.

What is the Ronald McDonald Camp Mission? The mission of Ronald McDonald Camp is to provide a true overnight experience for children who have been treated and are being treated for cancer as well as their siblings, ages 7-17. This camper-centered program is designed to foster independence, friendship, and community among campers who share a common experience with cancer. The ultimate goal is to be a place where kids can enjoy being kids.

If you are unable to attend, please consider our Sailfish Sponsorship which provides a bunk for the entire camp or a Minnow Sponsorship which sponsors one youth for a week at Ronald McDonald Camp. We thank you in advance for your generosity and consideration!
