

34th Annual Faro Blanco Tarpon Tournament

May 15, 2021 to May 22, 2021

Hi Everyone,

We hope you are well and navigating the pandemic safely. We are happy to announce plans for the 34th Annual Faro Blanco Tarpon Tournament from May 15 – May 22, 2021.

Attached is this year's tournament information. We hope you make plans to attend this great fundraising event!

New for 2021, we have partnered with the Kids & Clays Foundation to help us continue to grow the event. Kids & Clays supports Ronald McDonald House Charities (RMHC's) across the country raising funds through sporting events. Proceeds from this year's event will continue to help fund the RMHC of Philadelphia Summer Camp Program and will also help fund partner RMHC's throughout the U.S.

As well, all precautions possible are being made to safely guard against Covid-19 with most activities being outdoors or conducted with social distancing guidelines in place.

In 2019, **we raised a record \$50,000 for the kids** and with your help we can raise even more this year!

We hope you will consider one of the many sponsorship levels available or perhaps increase your sponsorship from last year. Again, all net proceeds will help children and their families in the Philadelphia area and from coast to coast.

Besides being a great cause, the tournament provides a World Class fishing experience in **one of the best places in the Florida Keys!** Catches have averaged nearly 100 tarpon each year during this tournament. We also have several contests during the event that any team can win and take-home cash prizes and trophies!

We expect a record turnout for this year's event so **don't delay**. Registration and hotel/condo availability are **first come, first serve**. Get your boat confirmed today by filling out the attached form and returning it to the address highlighted. You can also sign up online by visiting www.kidsandclays.com/Tarpon.

We look forward to seeing you this year in Marathon! Contact us for more information.
